Kelly is now up to speed and we just sent her a draft desk statement. We will get it squared away and ready to go. Thanks

Maybe you could give Kelly a quick briefing today so that she can prepare a desk statement for Monday. Thanks.

Hi Jared –

I will be joining Nancy on Monday for the Water update and will provide a the run-down on the deliverables we expect from the State. We met with them the other day and have an idea of what to expect (no big surprises). If you wish to discuss sooner than Monday just let me know what is convenient for you. Thanks

Mike
